PLAY FOR 4 raises funds to provide financial assistance for adolescents who suffer traumatic brain injuries due to an athletic related activity and those responsible for the expenses associated with their care.

PLAY FOR 4 is a non-profit organization that was established in 2009 after Cole Schlesner, a 14-year-old from Loveland, Ohio was struck in the head by a line-drive while pitching in a youth baseball game. Cole suffered a traumatic brain injury and was air-lifted to Cincinnati Children's hospital for life saving surgery. Cole survived and continues his journey to a complete recovery.
